

Fires Here Cause Heavy Damage During Week

With almost daily regularity, the Hamlin Volunteer Fire Department has been plagued with major fires during the past week with fire losses running into thousands of dollars. The latest alarm before press time Wednesday was for a fire that destroyed the home of Roosevelt Boden in northeast Hamlin.

Damage estimated at \$2000 was caused by a fire southeast of Hamlin Tuesday evening when a barn belonging to Bill Ford of Abilene, who farms near South Lake, burned about 8 p.m. The frame and sheet

metal structure containing some hay and a feeder was destroyed in the blaze.

The local fire department was called out and the men were able to save some of the pens. There was some insurance on the barn.

On Sunday afternoon a fire at the home of Mr. and Mrs. D. C. Simpson, 212 West Lake Drive, destroyed clothing in a clothes closet and caused smoke damage to other parts of the home.

Late last Thursday night the local fire department answered a call at the Santa Fe station.

Bales of cotton being shipped from Jay Storage Co. caught fire in the box car on the siding at the dock of the Santa Fe station. Seventy-four bales were in the box car and all were damaged. Twenty-six more bales were to be loaded into the car Friday to complete the shipment. The fire was discovered by a Santa Fe switchman about 11 p.m. while the train was making the usual run through Hamlin.

The C & N W box car was heavily damaged as the inside lining was completely destroyed and some holes in the metal resulted from the intense heat. Eddie Jay, owner of Jay Storage, said the cotton was owned by Allenberg Cotton Company of Memphis, Tenn. The 100 bales were due to be shipped out Friday to Alabama. He estimated damage from 20 to 40 percent on each bale.

Estimates of the damage from the fire Mar. 31 at O'Pry's Cleaners on East Lake Drive have not been completed. The building, owned by Eddie Jay, received extensive damage when the blaze started in a storage room behind the cleaning plant at 2:20 p.m.

Oduis O'Pry said Wednesday that the insurance adjusters had not estimated the damage to his cleaning equipment which was in the adjoining room to where the fire started. Clothing, furniture, and equipment in the finishing room were damaged from heat, water and smoke.

Also housed in the south end of the building were two trucks owned by R. D. Wade. They were heavily damaged.

'TAG DAY' BEING PLANNED HERE FOR LIBRARY WEEK

In observance of National Library Week April 12-18, Mrs. Dale Lain, chairman of the library committee of Harden Memorial Library, has announced April 15 as Tag Day in Hamlin. The money raised during the Tag Day drive will be

used to improve the library sections and facilities.

Assisting with the planning the drive will be Mrs. Dewey Nunley, Mrs. Ed Bailey and Mrs. Tate May, other members of the committee.

The building committee, composed of Mmes. E. M. Wilson, M. T. York, Kenneth Riddle, B. O. Bell and Miss Lennie Greenway; and the community service committee composed of Mmes. Jack Vaughan, James Harrison and Donley Williams, will also take an active part in the drive.

Contributions toward the improvement of the library have been made by high school students Ann Johnson and David Blagham, under the supervision of Mrs. Dewey Nunley. The students worked in organizing the present books in the library. They also helped in the return of overdue books to the library.

Mr. and Mrs. Harvey Elkins gave four sets of stainless steel book ends to the library.

Hamlin Places 2nd. In Play Contest: Lawlis Best Actor

Levis Lawlis, Hamlin High School senior, was named best actor for his performance in "The Death of the Hired Man" in the District 6-AA one-act play contest held here Monday evening. The Hamlin play placed second. Nick Moore was named to the all-star cast.

Haskell High School had the winning play "The Miracle Worker" and four members of the cast were named to the all-star cast.

Stanford placed third and Winters and Ballinger schools tied for fourth.

Dr. Rex Kiker, head of the speech department at Abilene Christian College, Abilene, was the judge.

C. R. DANSBY ELECTED JAYCEE PRESIDENT

C. R. Dansby Jr., engineer in the local resident engineer's office of the Texas Highway Department, was elected president of the Hamlin Junior Chamber of Commerce for the coming year at the club's noon luncheon last Thursday. He will succeed James Wright.

Officers elected for the coming year were: Bill Early, vice president; Joe Ford, secretary-treasurer; James Wright, Interclub director; Jerry Hilburn; Marvin Franklin, and Ewell Mackey, directors.

The officers will be installed at a ladies night meeting to be held Thursday night, April 17.

Piperettes to Play In Volleyball Meet

The Hamlin Piperettes will be in Stamford Tuesday (Thursday) for the District 6-AA Volleyball Championship Tournament.

The girls will meet Anson in semi-finals at 10:30 a.m. Finals will be played that afternoon.

The team includes Barbara Lakey, Cheryl Brown, Phyllis Scarborough, Judy Jenkins, Kay Hodnett, Alanna Kennedy, Phyllis Rackley, and Geneva Ward.

Dan Truelove is coach.

CANCER DRIVE PLANNED HERE WEDNESDAY

Mrs. Ned Moore has been named chairman of the local Cancer Crusade to be held here Wednesday, April 15. Simultaneous drives will also be held in Anson and Stamford.

Volunteers will be assisting Mrs. Moore in the fund drive. John Scarborough, who is now serving on the service committee, is in charge of securing materials or services for those in need in this area.

Among the numerous items being made available for cancer patients are hospital beds with mattresses, wheel chairs, on a permanent loan basis; expendable comfort items such as adhesive tape, baby oil, bed pans, etc.; and dressings.

Anyone in need of the available items may contact Mr. Scarborough. These are secured through the office of the Director of Service, American Cancer Society, Texas Division, Inc., Austin.

Money coming in during the Cancer Crusade helps to make these services available to cancer patients.

DATE CHANGED FOR LOCAL GOLF TOURNEY

The Lakeview Golf Club's annual tournament originally scheduled for May 15, 16, 17 has been moved up one week and will be held May 8, 9, 10, according to Dr. M. L. Smith, president.

The change in dates was caused by a conflict in scheduling of area tournaments. The entry fee and the prizes will remain the same as originally planned with the winners of each flight winning golf equipment.

First Methodist Church Revival To Open Sunday

Rev. and Mrs. Gene Moore will be here April 12-17 in revival in First Methodist Church. Rev. Moore, former pastor of Faith Methodist church here, will be the evangelist and he and his wife will be presenting special music during the services.

Rev. Moore is now conference evangelist of the Methodist Church, Northwest Texas Conference. He entered the field of full time evangelism both singing and preaching in September of 1962.

The couple has recorded two long play albums. One, "How Great Thou Art" is now on sale. Their latest is due to be released soon.

They have two children, Susan, 4½, and Timothy, 3, who ravel with them.

Rev. Royce Womack, pastor of the local church, and the congregation invites everyone to attend the services at 7 a.m. and 7:30 p.m. Sunday through Friday.

Shop Towel Rental Service Opens Here

O. C. Prather Jr. has started operation of Texas Shop Towel Service, a new business for Hamlin. He moves here from Tyler where he was employed in this type operation for 16 years.

Prather is formerly of McCaulley. He and his wife have four children, Karen, 14, Brenda, 11, Cindy, 8 and Randy, 4. They are members of the Baptist Church.

Clif W. Drummond was one of 21 University of Texas students to be elected to Students' Association posts for 1964-65 in Spring student government elections. He was elected pharmacy assemblyman. He is the son of Mr. and Mrs. G. W. Drummond, Route 1, Hamlin.

BURLESON ISSUES STATEMENT IN SEEKING RE-ELECTION

Omar Burleson, veteran Congressman from the 17th District, is conducting a vigorous, active campaign for the Democratic Primary nomination for re-election.

In seeking re-election, Burleson stated he is basing his campaign on his record of nearly 18 years service in Congress.

"In that time, I have never

been a rubber-stamp, but have fulfilled my responsibility to vote on each issue for the best interest of my Country, my State, and my District," Burleson said.

"I do not think the people of the 17th District want or deserve anything less."

Burleson, at 58, is one of the senior members of the U. S. House of Representatives in point of service.

His seniority has carried him to the Chairmanship of the post office House Administration Committee, and to the third ranking position on the powerful Foreign Affairs Committee. In addition, Burleson serves on two important Joint Committees formed from senior members of the House and Senate, as Chairman of one and Vice Chairman of the other.

"In all my years in Congress," Burleson said, "I have followed two guiding principles: First to know the views of my constituents and reflect their

Madden, Gardner and Davis Win City Election

Two newcomers to the City Council were elected in Tuesday's election from a slate of six candidates. Edward Gardner received 201 votes and Bill Davis received 208 votes.

Hollis Madden was re-elected to the office of mayor with 337 votes. He was unopposed. Write-ins included Holly Toler, 19, John V. Howard Jr., 10, and Weldon Johnson, 4.

Other candidates for alderman included Floyd Clifton, incumbent, who received 157 votes; George Poe, incumbent, 136; Glen Howard Williams, 36; and John Hix, 24.

Gardner is a native of Hamlin and graduated from Hamlin High School in 1933.

He served 36 months in the service during World War II. A former salesman for Carl Murrell Chevrolet Company, he is now a clerk in the office of Mid West Cooperative Oil Mill.

Gardner is married to the

former Velta McCormick, also of Hamlin. They have one daughter, Jan, 10.

He is a member of the First Methodist Church.

Davis, a native of Stamford, was graduated from high school there in 1946. He is married to the former Jean Ross, also of Stamford. They moved to Hamlin in 1950 and have lived here since that time with the exception of two years in service in 1952-54. He served in Germany

17 months.

A member of the First Methodist Church, Davis is now chairman of the official board. He also teaches a Sunday School class for high school juniors and seniors. He is a member of the Lions Club and is currently serving as lion tamer.

He is employed by West Texas Utilities Co.

The Davises have two boys, Lynn, 3, and Mike 1½.

MOORE AND ROBERTSON RE-ELECTED

Fred B. Moore Jr., president of the Hamlin School Board of Trustees for the past nine years, was re-elected to the board along with Revis Robertson, a board member for four years, in Saturday's election in the high school gymnasium.

Moore, owner of feed manufacturing plant and elevator here, has been on the board for 12 years. Moore and Robertson, an area rancher, each received 62 votes, the total number of votes cast in the election. There were no write-ins. Neither had an opponent.

J. E. Brown was re-elected as County trustee for this precinct with 61 votes.

Charity Duplicate Bridge Tournament To Open at 1:30 Sat.

The Hamlin Charity Duplicate Bridge Tournament will be Saturday, April 11 at the High School gymnasium with afternoon session beginning at 1:30 and the evening session at 7:30. Charges will be \$2 per session for each individual player.

Trophies will be awarded for each session and there will be an overall first and second place.

Players are expected from several towns.

Dinner will be served at \$1.00 a plate.

All proceeds will go to ACBL designated charities, American Cancer Society Fund and Muscular Dystrophy.

Mrs. Mabel Lillius of Abilene will be the director.

DePriest Girls Win District Meet Held In Sweetwater

The girls from Oscar DePriest High School captured first place honors at the District A track meet held Saturday in Sweetwater. The boys placed fourth in the events.

Mae E. Bolden, Edna J. Bolden, Gillis Paige and Estelle Willis paced the 440 relay in 52 seconds.

Bolden was second place in the 50 yard dash. The relay team ran the 200 yard relay in 24 seconds.

In the baseball throw M. Bolden was first with 239 ft. and Linda Baldwin third with 189 ft.

E. Willis with 88' 5½" was first in discus. Lillie Faye Davis was fourth with 80' 4½".

Hamlin girls had 88 team points. The boys had 57 team points.

Ray Douglas was outstanding performer for the boys with a first place in the 880 yard run with 2 min. 15.5 seconds. They also placed second in broad jump, third in mile relay and third in 180 yard low hurdle.

Mrs. Beulah Cartwright, 77, sister of Mrs. J. W. Perryman, who visited here on a number of occasions, died at City Hospital in Teague Mar. 23. Services were held in Teague Mar. 24. She was buried at Antioch Cemetery, south of Teague.

COMMITTEES MAKING FINAL PLANS FOR FLOWER SHOW HERE

Committees making preparation for the Hamlin Garden Club's annual flower show met Friday in Harden Memorial Library. The show "Parade of Flowers" will be held April 18 in the high school gymnasium.

Deadline for the various entries were set up. All entry cards must be filled out in advance and submitted to the entry chairman, Mrs. Arlie Castle, by 11 a.m. Friday April 17.

Entries in potted plant section will be accepted from 3 to 4 p.m. Friday April 17. Late entries will not be judged.

All other entries will be accepted from 8 to 10 a.m. on the day of the show and picked up by 7:30 p.m. in the same day. Late entries will not be judged but will be displayed separately.

Mrs. B. B. Colwell, horticulture chairman, will be in charge of the sale of shrubs and potted plants grown by members to be sold at the show.

The judging will be according to standard rules. No artificial flowers or foliage can be used.

The show is open to the public from 3 to 6 p.m. April 18.

JUNIORS AND SENIORS TO TAKE PART IN CAREER DAY TUESDAY

Career Day will be held at Hamlin High School Tuesday Morning, April 14, for juniors and seniors. Each student will be permitted to attend six different career programs of 30 minutes each.

At 8:30 Dr. Clyde Austin, director of Admissions, Abilene Christian College, Abilene, will address the group.

From 9:30 to 12:20 the students will have the opportunity to hear representatives from the various professions.

The careers or vocations chosen and the people responsible for the presentation are listed as follows:

Dentistry, Dr. James Harrison; Medicine, Dr. E. D. Per-

rin; banking, stock, bonds, Leland Clifton; homemaking, Miss Maurine Knight, Lone Star Gas; religious education, S. L. Pre-School Clinic To be Held Tuesday At Primary School

A pre-school clinic will be held Tuesday, April 14, at 1 p.m. in the primary building. All pupils who will be starting to school in the first grade in September will be given a physical examination by Dr. E. J. Hawkins and a dental check by Dr. James E. Harrison at this time.

Smallpox vaccinations will be given to those who need them upon the parents request.

Parents should also bring a record of their child's immunizations and diseases that they have had to be put on the school health record.

Each child entering the first grade is required to have a birth certificate. This will be needed before September in order for the child to be enrolled.

DePriest to Hold Spring Musical Friday Evening

There will be a Spring Musical Friday night at the High School Auditorium beginning at 7:30 sponsored by the Oscar DePriest School.

Schools participating are Woodson High, Abilene; Dunbar High, Munday; Lakeview Junior High, Big Spring; and DePriest, Hamlin.

Director will be Mr. Bobby C. Cain of Hamlin.

Admission will be 35 cents for adults and 20 cents for students.

MRS. VAUGHAN ELECTED P-TA PRESIDENT

Mrs. Jack Vaughan was elected president of the Hamlin Elementary P-TA at the Thursday afternoon meeting held in the primary cafeteria.

Other new officers include Mrs. Harold Johnson, first vice president; Mrs. Bill Early, second vice president; Mrs. Earl Brown, secretary; Mrs. Joe E. Ford, treasurer; Mrs. John Hudson, historian; Mrs. W. T. Johnson, parliamentarian.

The entertainment was a program on Texas Heritage presented by the third grade classes. Mrs. B. W. McKissack gave the thought for the month. Mrs. Tarlton Willingham was the speaker using "The Family: Does Our Love Show?" as her subject.

Mrs. J. S. Norton, second grade teacher, received recognition as winner of the room count with the most parents present.

The announcement of the annual District Spring Conference April 22 in Snyder was made. Plans for pre-school visitation April 7 and the pre-school clinic April 14 were discussed.

Afton Cemetery Sets Work Day

A work day at Afton Cemetery has been set for Tuesday, April 14, according to Mrs. W. R. Townsend, treasurer.

Everyone is asked to bring their own tools.

There will also be a discussion on how to spray and kill vegetation. All interested persons are urged to be there for the work day.

J. NEIL DANIEL MAKES BID FOR 104TH DISTRICT JUDGESHIP

J. Neil Daniel of Abilene, former District Clerk, City Judge and City Attorney, and in the private practice of law for the past ten years, has announced his candidacy for District Judge of the 104th District Court.

Daniel, in asking the people of Jones and Taylor County to effect a change in the judgeship of the 104th District Court, in making his announcement said:

"The time has come for a change of judges in the 104th District Court, and I and my many friends are asking the people of Taylor and Jones Counties to help me make this change. My opponent has been judge of this Court for twenty-four years, he is sixty-eight years of age, and ample provision has been made for the retirement of such judges from the bench.

"I have had an ambition for quite some time to be your District Judge, and to that end have devoted these past ten years preparing myself for this position. I ask you to give me the opportunity to serve you. I am ready, and my many friends who have urged me to run say I am ready, and my experience qualifies me for the judgeship.

"My opponent is serving his 24th year as Judge, and back when he first ran for office, he

made the statement after his predecessor had served fifteen years as Judge, to use his own words, 'It is right, democratic and proper that a young man be given a chance,' and I submit to you now that it is indeed time to give a younger man a chance."

Daniel is well known in Abilene. He is a graduate of Abilene High School, a 1939 graduate of McMurry College and has lived in Abilene most of his life.

Daniel is a veteran of 123

PHILOSOPHER STUDIES MEAT PRICES, BUT CAN'T FIGURE HOW TO WRAP A STEER IN CELLOPHANE

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1 studies the cost of food this week.

Dear editor:

As I understand it, President Johnson is concerned over the high cost of food to consumers and the low cost to producers, or, in other words, why the farmer gets less and the housewife still pays more, by beef on the hoof can drop \$6 a hundred and still rise 2 cents a pound when it gets in the supermarket display counter.

In fact, he has asked Congress to appoint a 15-man committee to investigate.

I am in favor of this, and while I wouldn't have time to serve on the committee, I think I can explain part of the trouble.

The trouble lies with the farmer. He has never succeeded in growing beans in cellophane bags.

The farmer still uses the old-fashioned way of growing beans,

just like they've always been grown, on a vine inside a shell.

The supermarkets caught on long ago that beans in a shell or just beans in bulk have no eye-appeal. No impulse-buyer pushing a shopping cart down an aisle is going to stop to scoop up a sackful of loose beans. They've got to be sealed in cellophane with a brand name and a price tag marked 2 CENTS OFF before a housewife will respond.

Clearly, the fault lies with the farmer, or more accurately with the agricultural experiment stations and possibly the Department of Agriculture. Instead of figuring out ways to grow twice as many beans on the same stalk, the agricultural scientists ought to be working on a variety that'll come up inside a plastic bag already sealed with scotch tape.

Or take cattle. A rancher can get a steer for a certain price, but when the processors get hold of it, that's when the

cost mounts up, and by the time the steaks get to the meat counter wrapped in cellophane, there's no connection between what the ranch got and the housewife pays. Clearly, the rancher is getting too little and the housewife is paying too much.

Something ought to be done about this, but you try selling live steers inside a supermarket and see how far you get. You'd never get one wrapped satisfactorily in cellophane.

Yours faithfully,
J. A.

YEARS AGO—

FIVE YEARS AGO:

Hamlin teachers will play host to members of the Jones County Teachers Association at the annual banquet of county teachers, which will be held in the Hamlin Primary School Cafeteria Monday evening, April 20.

Rev. T. M. Harrell of Midland Sunday accepted the call to the pastorate of the North Central Avenue Baptist Church in Hamlin, which has been pastorless for more than a month.

TEN YEARS AGO:

Six members of the Hamlin High School Chapter FFA were honored Thursday evening for their outstanding records in FFA work at the annual father-son banquet in the Primary School Cafeteria. Receiving awards of merit were David Johnson, Kenneth Rowland, Cliff Eoff, Doyle Brinegar, Hoyle Brown and Jackie Drummond.

FIFTEEN YEARS AGO:

Track and field athletes from Hamlin High School won first place Saturday in the invitational track and field meet at Snyder. Roscoe was second and Snyder was third in the school rankings.

Surveys have been completed in Hamlin for the inauguration of free mail delivery, the post office department has announced.

"HI DADDY"

"Hi Daddy! When are you coming home?"

How happy it would make our Heavenly Father if we responded to His voice in the same joyous manner that this little child has responded to his Daddy's voice.

Enthusiasm for God's Way would turn a greater number of people toward God and His love.

"I was glad when they said unto me, Let us go into the house of the Lord" (Psalms 122:1) would be a joyous response to God's command, "Forsake not the assembling of yourselves together." (Hebrews 10:25)

The Church is God's appointed agency in this world for spreading the knowledge of His love far and wide and His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long pass and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

AUSTIN, Tex. — A mighty head of tension which had built up at the state capital eased as the Houston federal court agreed to postpone effect of its consent until the next elections.

Top Democratic officials and members of the Legislature kept close watch on the news wires out of Houston as they sweated out the decision following four days of hearings and arguments. Their optimism had wilted in the last 24 hours before the ruling was announced. More than one legislator reportedly had his bag packed ready to return to Austin for a special session.

Gov. John Connally apparently had indicated he would call the session immediately if the court stuck by its original October 19 order for at-large (state-wide) elections in all districts unless the Legislature adopted a redistricting bill.

As it is, although the court postponed effective date of its ruling, it kept the case on its docket and will take further action if a constitutional redistricting bill is not passed by August 1, 1965.

Major officials applauded the ruling.

Republicans, who brought the original suit, were disappointed that the equal-population-for-each-district order will not take effect until congress after next. But they took comfort that their principal goal was achieved.

Governor said redistricting will give "highest priority" in the 1965 Legislature and "every attempt will be made to have a thorough redistricting consistent with the opinions of the Supreme Court and (the Houston) federal court."

Frank C. Erwin Jr. State Executive Committee Chairman said redistricting will be the main plank in the State Democratic platform this year.

An "entirely satisfactory" solution will be found by the Legislature next year, predicted Lt. Gov. Preston Smith.

George Bush, Republican U. S. Senate candidate from Houston who filed the suit with

four other GOPs, said the group would file no appeal since "further delays... would lead to turmoil."

Democratic Congressman-at-large candidate Bob Looney, an intervenor in the action, didn't agree and promised a new appeal to the U. S. Supreme Court for redistricting this year. He also called on Texas to petition Gov. Connally for a special legislative session on the subject.

For all practical purposes, the judicial chapter on redistricting is closed for the year. Congressmen will run in their old districts one more time.

Major surgery must be performed on the districts next year. And while they are carving state legislators in all probability will have to re-divide their own districts. Another suit pending to force state legislative reapportionment. For lawmakers, that will be ever so painful.

RECORD VOTER LIST
There are more Texas voter lists than ever.

A record total of 2,888,183 have paid poll taxes or obtained exemption certificates, the State Comptroller reports.

That's 293,929 more than in 1960, the previous record year, and 533,024 more than in 1962. Even so, the report does not include the free registrations or federal elections or voters over 65 who do not have to get exemptions because they live in cities of less than 10,000 population. Addition of these two categories could swell the qualified voters list to more than 3,000,000.

Eighty-eight percent of the qualified voters cast ballots in the 1960 residential election. If they turn out at the same rate in this year's presidential general election, more than 2,500,000 votes will be cast.

Texas Republicans, aiming at getting a large share of those votes, say they will have at least one polling place in every county for the May 2 primary.

SALT WATER POLLUTION
Texas Railroad Commission is

putting more teeth into its orders against unlined earthen surface pits for salt water disposal.

At least 30 oil leases in the Hubbard Creek watershed will have been severed because operators failed to comply with the Commission's no-pit order which became effective for that area on March 1.

Commission says it will inspect every lease in the watershed. Oil cannot be moved by pipeline or truck while the leases are severed.

TEXAS SAVINGS BONDS
Secretary of State Crawford C. Martin has named chairman of a payroll savings campaign for the purchase of U. S. savings bonds by the state employees.

Governor Connally, honorary chairman of the Texas Savings Bonds Committee, named Martin to the post of coordinating efforts of state agencies to encourage their employees to buy savings bonds through payroll savings plans.

PARKS AND WILDLIFE
Texas game wardens and biologists are making a spring survey of wild turkeys in many parts of the state, to get an idea of their population trend. They also have begun their spring quail census in counties where the quail is an important game species.

Two key regulations for state parks will (1) Permit camping and shelter occupancy for a 14-day limit during the regular park season between May 1 and September 13, and (2) Make radios, recorded music and musical instruments subject to a 10 a.m. curfew in picnic, camping, boating and other overnight facility areas. However, they will be permitted in concession buildings and immediate areas until 11 p.m.

Sheldon Reservoir, a 1,200-acre lake 15 miles northeast of Houston, has been opened to boat and wade fishing.

CANDIDATES POLLED
Texas State Teachers Association polled legislative candidates on their stand on education and reported they endorsed a \$45 per month pay raise for school teachers and strongly favored five other measures which would benefit Texas schools.

Replies to the questionnaire, sent by TSTA's magazine "Outlook", came from 26 of the 35 Senate candidates and 269 of the 406 House candidates.

APPOINTMENTS
GOVERNOR — Governor Connally appointed four members of the board of regents of Midwestern University, Wichita Falls. They are R. Clay Underwood, Marvin Pierce and James Barnett of Wichita Falls and

Mrs. Macon Boddy of Henrietta.

Connally named H. D. Fields of Saint Jo to the Red River Authority board of directors to fill the unexpired term of C. O. Glenn of Nocona, extending until 1967.

Sgt. Willard E. Hale of Houston is the new inspector of the Inspection and Planning Division of the Texas Department of Public Safety.

HIGHWAY PROJECTS
Texas Highway Department tentatively approved a \$33,400,000 freeway, Interstate 20, through the Fort Worth-Dallas area.

Dallas, Houston and Fort Worth delegates asked approval of highway projects costing \$42,000,000.

Rusk County delegation sought \$16,000,000 worth of improvements and a Dawson County group asked the Highway Commission for \$2,000,000 more in the Lamesa area.

INDUSTRIAL RESEARCH CENTERS PLANNED
Governor Connally's Committee on Education Beyond the High School has taken a look at plans to use Texas industries as "great research centers" and to launch brand new types of graduate degree programs.

Committee studied these proposals and 14 others in a recent session as it continued to seek ways to achieve top ranking for the Texas college system by 1975.

Its final meeting, before writing a tentative report, is scheduled for April 18.

THEY'RE SMOKING AGAIN
— Texans, who showed signs of slowing down on their smoking in February shortly after medical scare reports, are now at it again as heavy as ever.

Tax revenue from cigarette sales, which dropped sharply soon after the federal report on smoking dangers was released, jumped nearly \$1,400,000 during March, according to State Treasurer Jesse James.

"It looks like they have gone back to smoking," shrugged James. "At least, there's not any big wholesale quitting."

Comptroller Robert Calvert said it worked out about the way he had figured — smokers would go back to their cigarettes after the first shock of the warnings faded.

BAR SEEKS TO BAN BELLI
— Fed up with the antics of bellicose California lawyer Melvin Belli, the Texas State Bar Association is seeking an order from the State Supreme Court to keep him from practicing law in Texas.

Claimed the Bar, in request-

ing an injunction against the onetime chief defense council for slayer Jack Ruby, "(Belli's) conduct has been so grossly and flagrantly unethical, intemperate and abusive in nature as to weaken the administration of justice and to lessen public respect for the courts and laws of this state."

Belli has displayed no remorse for his tirades against Dallas and the trial court since his former client received the death penalty.

SHORT SNORTS
— Texas Liquor Control Board reports that collections for the entire State totaled \$36,454 in February, as the result of 712 convictions and 49 jail terms with just 54 dismissals and 5 acquittals.

Texas business activity hit a new high during February, University of Texas Bureau of Business Research reported. A new calendar of tourist events is available from Texas Highway Department. Mrs. Grace M. Martin of College Station has resigned as women's activities consultant in the Civil Defense and Disaster Relief office. State Department of Banking received an application for a state bank in Lake Gardens, Tom Green County. State Savings and Loan De-

partment is pondering rival application of Kendall Savings Association for a new charter at Boerne and Community Savings and Loan Association of Fredericksburg for a branch office in Boerne. State Supreme Court, rejected appeals of District Attorney Hulon Brown of Jacksonville and Justice of the Peace Curtis Lacy of Austin for places on Democratic primary ballots in Angelina County and Travis County, respectively.

In 1900 there were 30,000 electric trolley cars in the U. S.

By MRS. ELMER JOINER

Flags are flying half mast over the nation this Monday morning, in honor of General Douglas MacArthur, who passed away yesterday, at the age of 84. To most people his passing only means another hero's death, but to the families of those that had loved ones with him, on the Philippines, where they made their tragic stand and were captured by the Japanese, it is almost like some one near and dear to you has passed on. General MacArthur and his family escaped from the Philippines, but fulfilled his promise to return, even though it was a long, bitter fight. May the old warrior rest in peace.

Mr. and Mrs. Raleigh Bond received word yesterday, Sunday, of the death of his brother-in-law, Sam Barrett, of Cleburne, Texas. Mr. Barnett had been in ill health, from a heart ailment, for some time. Mr. and Mrs. Bond, and other relatives from this area, will attend funeral services in Cleburne, Tuesday.

Miss Maude Drake is just about the happiest person around, since the surgery on her eye, that restored the sight. She returned home from the hospital last Wednesday morning, only spending six days after surgery.

To celebrate Maude Drake's homecoming, some of the neighbors thought it would be nice to go Monday afternoon and clean up the house for her.

armed with vacuum cleaner and other equipment, eight ladies went and made short of the house cleaning and spent the remainder of the afternoon visiting with Miss Della, who had to remain at home because of being blind herself. Mrs. Lila Marie Hale stayed with her each day and cared for her.

Mr. and Mrs. Elmer Joiner went to see the Fred Rosenbaums last Monday night.

Mr. and Mrs. Raleigh Bond will be the next ones to leave us, out this way. They have purchased the home on Avenue A, formerly occupied by Mrs. Bruner, who passed away recently, and at present are busy remodeling it, and will move as soon as they are finished with it.

Mr. and Mrs. Roy Watts, who live in the Corinth community, with Mr. and Mrs. Fred Rosenbaum Tuesday night.

Mr. and Mrs. Henry made a little trip over to Snyder Sunday afternoon, to visit with their son, Clois Henry and family, returning home in time for church services.

Mrs. Mamie Blissett, who was in the process of moving from Anson, to Midland, spent the night with her brother, Mr. and Mrs. Woodrow Goodwin and Linda, last Thursday.

Mr. and Mrs. Fred Rosenbaum, Mr. and Mrs. Winson Gray and Mr. and Mrs. Flavi Holmes, attended the singing in Anson Sunday afternoon.

The Elmer Joiners visited with the Winson Grays last Thursday night.

Sunday visitors of the Joiners were all of their children, grandchildren, and his sister, Mr. and Mrs. Henry Kee, Lubbock. Mr. and Mrs. Buck Joiner, Charles, Jerry and Susan, came from Odessa; Mr. and Mrs. Jimmy Joiner, Jeannie and Ronald, Stamford, Mr. and Mrs. J. E. McCoy, Kay and Larry, Hamlin.

Thursday afternoon, Mr. and Mrs. Arthur Moss of Lamesa, visited with his uncle, Mr. and Mrs. Fred Rosenbaum.

Committee Seeking Graves of Civil War Veterans

Mrs. W. C. Taylor of Stamford Chairman of Jones County Civil War Veterans' Registration and Graves Committee, is asking the cooperation of all who know of Civil War Veterans, Confederate or Northern, buried in Jones County whether graves are marked or not. Anyone knowing of such veteran is requested to send full data to Mrs. Taylor.

The full name of veteran, the state where he enlisted and the regiment or force in which he served is also needed.

Mrs. Taylor advised that there is very little time left in which markings can be secured. She added, "It would be too bad to see the pioneer graves of this County go unmarked when there are so many that are due proper recognition."

Other Counties are busy registering their civil war veterans according to Mrs. Taylor. She urges everyone with any details that would aid in this project to get in touch with her in Stamford.

LIVESTOCKMEN WARNED TO USE CARE IN MOVING ANIMALS

Screwworms are on the move again in Texas, and livestock producers must take precaution in handling their livestock if they do not want the insects to spread across the State, Kirby Clayton, Jones County Agricultural Agent, warned.

Clayton reported that several infestations have already been detected in various parts of the state, and with the coming of spring weather and as increases in livestock management practices, few areas can be completely safe from screwworm attack.

Spring is an ideal period for screwworms because of the mild, moist weather, the county agent indicated. In addition such activities as calving, farrowing, and shearing, alone with routine surgical operations, provide thousands of wounds that are open invitation to screwworm infestation.

He expressed alarm that many farmers and ranchers are reported not using smears, sprays, or other screwworm preventives, and are allowing their

Rambler to Show Classic Hardtop.

DETROIT — American Motors today announced a special Rambler Classic hardtop model as a limited production car which is powered by a new six-cylinder engine of advanced design.

The new two-door hardtop, called the "Typhoon," is scheduled for late-April introduction and will be available by special order through Rambler dealers for a limited time, according to Thomas A. Coupe, automotive sales vice president.

The Typhoon has a new-main bearing engine of "oversquare" design which has been under development and testing in a two-year program. Rated at 145-horsepower, the "Torque Command" engine has 232 cubic inch displacement, the largest displacement of any U. S.-Built six-cylinder passenger car engine on the market, Coupe said.

"Our basic policy on horsepower is unchanged," Coupe said. "We believe in having thoroughly adequate horsepower in our Rambler cars. We still oppose manufacturer participation in racing and in the glamorizing of speed and horsepower through advertising and promotion."

The Rambler Typhoon is a sporty, eye-catching two-door hardtop in a special yellow-and-black paint combination. The basic body color is "Solar Yellow," providing a striking contrast to the Classic Black roof panel.

animals to go unchecked and untreated. This practice could quickly result in an explosion of screwworm cases in this county and throughout the State, he said.

Clayton pointed out that although the statement recently released by the Southwest Animal Health Research Foundation, the United States Department of Agriculture, and the Texas Animal Health Commission that screwworms have been eliminated from the overwintering areas of the Southwest, he warned that screwworm cases could occur because of insects migrating into the United States from Mexico. Cases caused by migratory flies, if not detected and treated promptly, could permit the screwworm to become reestablished in Texas.

To prevent this from happening, Clayton urged producers to inspect their livestock frequently, treat wounds and infestations, collect larvae samples and report cases immediately so that emergency measures can be taken. Sterile screwworm flies will again be dropped near all cases reported, the county agent said.

Poco Shady Being Trained as Cutting Horse by Owners

by Cecilia Johnson
Poco Shady, Reg. No. P167908, owned by L. G. Kendrick of Hamlin and Dr. W. R. Sibley of Abilene, was purchased by the two men in December 1962. He was broken by Kendrick and in three months was gentle enough for anyone to ride.

Now three years old, he has been shown six times and has received five ribbons. In November, 1963, he was taken to Bill Hemphill on the Martin Ranch and is showing great progress as a cutting horse. At 3 1/2 years he will be taken to a trainer for finishing as a cutting horse.

He is the great grandson of Poco Bueno and a grandson of Poco Dell, son of Poco M. Sage, by Hill King, grandson of King.

The two partners hope to have an AQHA champion in the future with Poco Shady.

PIPER PATTERN APRIL 12 THROUGH 19 DESIGNATED 'TRIP WEEK'

"Flight to the Moon" was the theme of the Junior-Senior Banquet held in the primary cafeteria April 3. Pat Bachelor, junior class president, served as master of ceremonies. The Seniors were welcomed by Robert Pearce, and the response was given by Ronnie Teichman. Sue Perryman and Jeff Willis were crowned Queen and King of the event. The Meteorites, composed of David Drummond, Gary Jay, Ronnie Sipe, and Terry Carter, provided entertainment. Mr. Curtis Ramey, minister of the Church of Christ at Anson, spoke to the group on the topic "Knowledge is Not Enough". The singing of the Piper Song climaxed the evening.

Haskell captured first place in the District 6-AA one-act play contest held in the Hamlin High School Auditorium Monday night. The name of the winning play was "The Miracle Worker." "The Death of the Hired Man", presented by Hamlin, won second place, and "Shadow of a Dream" took third place for Stamford.

Lewis Lawlis was named best actor, and Beth Vaughter of Haskell was named best actress.

Others selected for the all-star cast were Nick Moore of Hamlin, Jess Robertson, Jo Helen Elliott, and Judy Gibson, all of Haskell. Dr. Rex Kyker, of the Abilene Christian College speech department, judged the competition.

The National Honor Society hosted a reception in the cafeteria for the play casts and their directors.

Accent on Health

J.E. PEAVY, M.D., Commissioner of Health

AUSTIN — Students, working in chemistry laboratories for the first time, sometimes object to the strict supervision exercised by their teachers. But, as soon as they have conducted a few experiments, and have seen the startling and sometimes dangerous effects of the chemicals, they are usually appreciative of the rules imposed on them in the laboratory. They have been made aware of the dangers and are taught how to prevent mishap.

Unfortunately, chemicals are being mixed in other areas besides the laboratories and by persons who know nothing of their characteristics or the danger involved in mixing them. Many times the results are disastrous.

Consider the case of the housewife who, wanting an especially immaculate finish, poured some liquid chlorine bleach into a toilet bowl with a cleaner, figuring that the two stain removers would do a better job than one.

The result was the chemical generation of poisonous, even sometimes deadly, fumes, when the bleach came in contact with the acidic substances present in the toilet cleaner.

The result would have been much the same had Ammonia been mixed with the bleach.

Poison Control Centers throughout Texas report that they receive calls regularly from people who suffer from respiratory irritations after inhaling such

fumes. Newspapers and other news media report numerous cases of injury and death from gases of this kind.

Manufacturers sense the dangers of using these products more than do the users. A majority of the brand toilet cleaners and ammonia found on the market today carry warning against mixing with chlorine bleach. Similarly, the liquid chlorine bleaches bear warning against mixing with toilet cleaners.

These warnings are not always conspicuously placed. Some are buried among the directions for use, while others are in unusually fine print that is seldom noticed. In almost every case any advice on what to do in case of gas poisoning is omitted.

The secret of safety in this case is to read the label on all cleaners, bleaches, solvents and other household chemicals thoroughly before using.

Mr. and Mrs. Charlie Carter went to Wolfe City Sunday for funeral services for his sister Mrs. Sallie Williams, 72, who passed away there Saturday. Services were held at 3 p.m. in the Wolfe City Baptist Church. Others attending the services from Hamlin were Mr. and Mrs. Weldon Carter and Mr. and Mrs. Medford Carter. Both were nephews of Mrs. Williams.

KNOW YOUR CANDIDATE

JESSE OWENS
Democratic Candidate
For Railroad Commissioner
Attorney Jesse Owens of Vernon, Texas, has been elected to public office for many of his 68 years. Again he is seeking to be a public servant, this time as a candidate for Railroad Commissioner on the Democratic ticket.

Owens was born in Clinton County, Kentucky, on Oct. 28, 1895.

He completed his public school education in Ford County, Texas, then prepared for the teaching profession by attending North Texas State University in Denton.

He taught school six years before being elected to his first public office in 1922. That was when he became County Judge of Ford County.

Owens served four years as County Judge and during this time studied law under the direction of the late Judge Robert Cole. He took the State Bar examination at Austin in 1927 and was admitted to the bar in January of that year.

He has been actively practicing law from that time to the present. Many of his clients have been land owners and small independent oil operators. While on the bench he tried many lawsuits involving oil and gas matters.

Since the time of his first elected office, as Ford County Judge, the candidate for Railroad Commissioner has served as District Attorney, District Judge and Assistant Attorney General.

In 1915 he married the former Ima Ura Trawalk of Eastland County.

Mr. and Mrs. Owens are members of the First Baptist Church in Vernon. They have two sons, both of whom are married and have families.

DRUMMOND SETS NEW SCHOOL RECORD IN MILE RUN; 4:46.7

The Pied Piper Track team will travel to Abilene this week end to compete in the District 6-AA meet to be held at McMurry College.

Winters and Haskell are the favorites for the district title with Haskell strong in the sprints and Winters strong in the field events.

David Drummond broke his own record in the mile run this week with a clocking of 4:46.7 in a dual meet held Thursday afternoon with Anson. Drummond had set a new school record in the mile the week before at the Ranger meet with a time of 4:49.

The Pipers won seven out of 12 events in the meet with Anson, but lost the meet on total points — 82½ to 83½.

In the high school division of the meet Hamlin won firsts in

the following:
880 Yard Run, Butler, 210.6,
660 Yard Run, Bonds, 143.7,
180 Low Hurdles, Butler, 20.6.

Mile Run: Drummond, 4:46.8,
Broad Jump: Pearce, 18' 10",
High Jump: Shivers, 6' 6".
In the Junior High division Hamlin won the following firsts:

220 Yard Dash: Ferguson, 25.8,
1320 Yard Run: Contreras, 3:43.0,
High Jump: Cain, 5' (four way tie for first)

STAMFORD PCA ANNUAL MEET PLANNED FOR APRIL 18--HILL

J. L. Hill Jr., manager of the Stamford Production Credit Association, reports plans have been completed for the association's Annual Stockholders' Meeting to be held in Stamford on Saturday, April 18. Hill says this year's meeting will start with registration at 9:30 and will be held in the Round-Up Hall on Texas Cowboy Reunion Grounds.

W. H. Calkins of Houston and Reagan V. Brown of College Station will be featured speakers on the program. Calkins is Vice President of the Intermediate Credit Bank of Houston and Brown is a Rural Sociologist out of the Extension Division of Texas A & M University.

Entertainment will be provided during registration by the Stage Band from Albany High School, under the direction of Martin Encke. Several attendance prizes for members and

wives of members of the association, as well as guests, will be awarded at various intervals during the program. Barbecue lunch at noon will be catered by Underwoods of Abilene. "We are real proud of this year's program and are prouder of having been a part of the community life during the past thirty years," Hill said.

C. G. Burson, Sr. of Haskell, president of the board of directors, will preside during the business session which will consist of a report of the year's business and election of two directors. Other members of the board of directors, in addition to Burson, are J. F. McCullen of Stamford, vice president, Mack T. Claburn of Anson, Laster Hensley of Guthrie and J. C. Moorehouse of Benjamin.

DISTRICT COURT HALTS SALE TO SATISFY MORTGAGE

Orders were issued in two suits filed in 104th District Court last week, both of these halted the sale of property to satisfy a mortgage. In both instances the plaintiffs deny a mortgage exists and permanent injunctions are sought.

Although involving two sets of defendants and two sets of plaintiffs, there is a strong similarity in the two cases. Both involve home improvement in which the plaintiffs claim their property was to have been improved without any charge for materials.

In both cases, too, plaintiffs claim no mechanic's lien was signed; if one was signed, it was not filled out at the time; husband and wife were not questioned separately before the

signing, and, finally, both pieces of property involved are homesteads.

D. A. Baldwin and his wife, Oma Baldwin, who live on Route 2, Avoca, obtained a temporary injunction against Triangle Aluminum Industries Inc., Southwestern Fund both of Dallas and Gordon Asbury Jr., the trustee, after notice of foreclosure and sale of the mechanic's lien was posted at the courthouse in Anson.

In their petition, the Baldwins set out the defendants "repeatedly assured plaintiffs that they were not executing a mortgage and would never have to pay anything for the building materials. Defendants assured the plaintiffs that they would receive \$100 for every card sent in by the Baldwins, that their home was a model home."

In the parallel case, James T. Taylor and his wife, Joyce, who live in Anson, are the plaintiffs and U. S. Building Materials Co. and Lumbermen's Investment Corporation of Austin, and C. W. Gill of Abilene are the defendants.

Petitions read about the same, with each plaintiff claiming he was told his was to be a "model home" and that he never would have to pay for the building material.

sentiments to the greatest degree possible in my actions as their representative. Second, to inform and advise as closely as I can on those issues which affect my District, my State, and the Nation.

Burleson termed his approach to government as one of "common sense," gained through his years of public service.

A former Special Agent for the Federal Bureau of Investigation, Burleson is former County Attorney and County Judge of Jones County, and served three years during World War II with the Navy in the Pacific.

As a leader in Congress, Burleson has consistently urged the return to a sounder fiscal policy, and the cutting of unnecessary and extravagant federal spending.

I have tried to see that your tax money is spent as wisely, and as frugally, as you would have spent it had you been in my place," Burleson said. "The record will definitely show that that on many occasions I have found myself in the minority especially on needless spending of the taxpayers' money. I am proud that I have never failed to exercise the right to vote and to do as I thought best."

"At every session of Congress, I have voted for expenditures below that recommended by the Executive Department and far below that actually appropriated by the Congress, except in the field of National Defense," Burleson said.

"When it comes to the defense of this Country, I have always voted for those things calculated to make and to keep our Nation stronger than any other in the world," he said.

Burleson has been an implacable foe of the constant encroachment of the Federal Government into the area of State and local affairs.

"As the Federal Government has grown to its colossal proportions, the threat of centralized power in Washington has increased," Burleson pointed out. "To this, I am opposed, as my actions have proved."

years service in the United States Army and Army Reserve and holds the rank of Lieutenant Colonel in the Army Reserve. He was drafted in March of 1941 and served five years active duty during World War II, with more than half of this time overseas in the Mediterranean Campaigns. He served two years as an enlisted man and received a direct appointment as a commissioned officer while overseas.

During the Berlin crisis of 1961-62, Daniel was recalled to active duty in the Army Reserve and spent ten months at Fort Gordon, Georgia, with the 490th Civil Affairs Company of Abilene as head of the governmental affairs section and chief legal officer of the unit.

He was discharged from World War II service in December, 1945, and in 1946 was elected District Clerk of Taylor County by an overwhelming majority. While serving as District Clerk he studied law and was admitted to the bar in April, 1954. Daniel has been associated in the private practice of law with Judge Tom K. Eppel for the past ten years and during this time also served as City Judge in Abilene and as City Attorney.

Always active in civic affairs, Daniel is a past member of the Jaycees; is a member of the Abilene Chamber of Commerce; past president of the Abilene Kiwanis Club; and has been active in all United Fund drives in Abilene since World War II. He served four years as Scoutmaster of Troop 8, sponsored by St. Paul Methodist Church in Abilene, and is still merit badge counselor for Scouts needing his assistance.

Daniel has been a member of the Official Board of St. Paul Methodist Church for many years, has served as chairman of various committees on the board and is currently the Church Treasurer.

He was the First President of the Cooper High School Band Booster Club and has been interested in Parent-Teacher Association work from the elementary grades to high school.

Daniel's wife is the former Frances Hill Cooper. They have three children: Gayle, 18, a senior in Cooper High School; Sharon, 17, a junior at Cooper; and Walter Cooper Daniel, 15, a

boy, are the result of many activities of the Federal Government which should be reserved to the States. Big government with its far-flung operations has created needless waste and extravagance."

Burleson stated he was proud of the "trust and confidence placed in me by the people who send me to Congress — and to violate that trust in any respect would be unthinkable."

He urged residents of the 17th District not familiar with his background of service to investigate the record he has made — "And if you believe I have been faithful to duty and worthy of your continued support, then your active participation in my campaign will be greatly appreciated."

Well-known throughout Texas, Burleson is a native of the 17th District. He was born and raised on a farm between Anson and Stamford in Jones County. He attended rural school, and graduated from Anson High School. Following graduation, Burleson attended Abilene Christian College, Hardin-Simmons University, and graduated from Cumberland Law School. Later, he studied postgraduate law at the University of Texas. Burleson married Ruth DeWeese, daughter of Reverend R. D. DeWeese, who pastored Baptist Churches in West and South Texas.

ninth grade student at Madison Junior High School.

Daniel is a member of the American Bar Association, of the State Bar of Texas, and is a director in the Abilene Bar Association.

He has some definite ideas concerning the district judgeship and commented in announcing his candidacy:

"Law suits are better settled than tried, but when it is necessary to try cases, it is necessary that a judge have a proper judicial temperament and a tremendous amount of patience in order to create a proper atmosphere in and about the court where the parties to a law suit bring their differences, have them aired in a judicial proceeding in a logical and common sense manner, with a feeling that justice prevails and that a decision will be made without delay."

"The only campaign promise I can make is to uphold the law and to assure you that the administration of justice will be carried out according to the law, that justice will be tempered with mercy, and that everyone having business with the court, whether involved as a party to a law suit, a person charged with a crime, as a juror, as a lawyer, or as a private citizen visiting the Court, will be treated fairly and with the respect due every individual."

"I hope you will have this promise in mind when you go to the polls on May 2 and elect J. Neil Daniel as your District Judge."

McCaulley 4-H'ers Tour Courthouse

Boys and girls of the McCaulley Junior 4-H Club toured the Fisher County Courthouse and jail Friday afternoon. Judge Perkins conducted the tour. He explained the work done in each of the offices in the courthouse.

The Fisher County boys and girls are now selling toothbrushes as a 4-H fund raising project.

Fires Here Cause Heavy Damage During Week

With almost daily regularity, the Hamlin Volunteer Fire Department has been plagued with major fires during the past week with fire losses running into thousands of dollars. The latest alarm before press time Wednesday was for a fire that destroyed the home of Roosevelt Boden in northeast Hamlin.

Damage estimated at \$2000 was caused by a fire southeast of Hamlin Tuesday evening when a barn belonging to Bill Ford of Abilene, who farms near South Lake, burned about 8 p.m. The frame and sheet

metal structure containing some hay and a feeder was destroyed in the blaze.

The local fire department was called out and the men were able to save some of the pens. There was some insurance on the barn.

On Sunday afternoon a fire at the home of Mr. and Mrs. D. C. Simpson, 212 West Lake Drive, destroyed clothing in a clothes closet and caused smoke damage to other parts of the home.

Late last Thursday night the local fire department answered a call at the Santa Fe station.

Bales of cotton being shipped from Jay Storage Co. caught fire in the box car on the siding at the dock of the Santa Fe station. Seventy-four bales were in the box car and all were damaged. Twenty-six more bales were to be loaded into the car Friday to complete the shipment. The fire was discovered by a Santa Fe switchman about 11 p.m. while the train was making the usual run through Hamlin.

The C & N W box car was heavily damaged as the siding lining was completely destroyed and some holes in the metal resulted from the intense heat.

Eddie Jay, owner of Jay Storage, said the cotton was owned by Allenberg Cotton Company of Memphis, Tenn. The 100 bales were due to be shipped out Friday to Alabama. He estimated damage from 20 to 40 percent on each bale.

Estimates of the damage from the fire Mar. 31 at O'Pry's Cleaners on East Lake Drive have not been completed. The building, owned by Eddie Jay, received extensive damage when the blaze started in a storage room behind the cleaning plant at 2:20 p.m.

Odus O'Pry said Wednesday that the insurance adjusters had not estimated the damage to his cleaning equipment which was in the adjoining room to where the fire started. Clothing, furniture, and equipment in the finishing room were damaged from heat, water and smoke.

Also housed in the south end of the building were two trucks owned by R. D. Wade. They were heavily damaged.

John Bowman, 77, Rites Held Here Sunday Afternoon

Services were held in the First Methodist Church for John Bee Bowman, 77, at 2 p.m. Sunday, a resident of Hamlin for 40 years, died at his home Friday at 11:30 p.m. He had been ill for several years.

Born Aug. 12, 1886, at Blue-ridge, he was the son of Mr. and Mrs. A. C. Bowman. He was married to Willie Clay at Thurber Dec. 21, 1913. He was a retired shoe cobbler.

He was a member of the First Methodist Church and the Rotary Club.

Services were conducted by Rev. Royce Womack, pastor. Burial was in Hamlin East Cemetery.

Survivors include his wife two daughters, Mrs. C. C. (Elma) Dobbs, Lubbock, Mrs. O. H. (Mary Beth) Griffith Hurst, five sisters, Mrs. Anna Wheeler, Phoenix, Ariz.; Mrs. Goldie Martin, Throckmorton; Mrs. Vera Shandley of Truth of Consequences, N. M.; Mrs. Wanda Harper of Lexington, N. C.; Mrs. Thelma Campbell of Sherman; five grandchildren; one great-grandchild.

Funeral services were held at 2 p.m. Sunday at the home of Mrs. E. C. Crouch, M. S. Johnson, Billy Bowman and Junior Bowman.

Fisher County 4-H Party to be Held In Roby April 10

The annual Fisher County 4-H party will be April 10 beginning at 7:30 p.m. in the agricultural Building in Roby.

Directing the recreation will be Joel Wilson of Abilene. Mr. Wilson has directed the recreation for this annual party for a number of years.

Assisting the County Extension Agents Alice Kemp and James Norman in preparation for the party will be Doris Schubert and Gary West. Gary Schubert will be master of ceremonies.

All 4-H members, parents, adult leaders and anyone interested in 4-H work are invited to attend and participate in this annual 4-H event.

CANCER DRIVE PLANNED HERE WEDNESDAY

Mrs. Ned Moore has been named chairman of the local Cancer Crusade to be held here Wednesday, April 15. Simultaneous drives will also be held in Anson and Stamford.

Volunteers will be assisting Mrs. Moore in the fund drive. John Scarborough, who is now serving on the service committee, is in charge of securing materials or services for those in need in this area.

Among the numerous items being made available for cancer patients are hospital beds with mattresses, wheel chairs, on a permanent loan basis; expendable comfort items such as adhesive tape, baby oil, bed pans, etc.; and dressings.

Anyone in need of the available items may contact Mr. Scarborough. These are secured through the office of the Director of Service, American Cancer Society, Texas Division, Inc., Austin.

Money coming in during the Cancer Crusade helps to make these services available to cancer patients.

DATE CHANGED FOR LOCAL GOLF TOURNEY

The Lakeview Golf Club's annual tournament originally scheduled for May 15, 16, 17 has been moved up one week and will be held May 8, 9, 10, according to Dr. M. L. Smith, president.

The change in dates was caused by a conflict in scheduling of area tournaments.

The entry fee and the prizes will remain the same as originally planned with the winners of each flight winning golf equipment.

First Methodist Church Revival To Open Sunday

Rev. and Mrs. Gene Moore will be here April 12-17 in revival in First Methodist Church. Rev. Moore, former pastor of Faith Methodist church here, will be the evangelist and he and his wife will be presenting special music during the services.

Rev. Moore is now conference evangelist of the Methodist Church, Northwest Texas Conference. He entered the field of full time evangelism both singing and preaching in September of 1962.

The couple has recorded two long play albums. One, "How Great Thou Art" is now on sale. Their latest is due to be released soon.

They have two children, Susan, 4½, and Timothy, 3, who travel with them.

Rev. Royce Womack, pastor of the local church, and the congregation invites everyone to attend the services at 7 a.m. and 7:30 p.m. Sunday through Friday.

Shop Towel Rental Service Opens Here

O. C. Prather Jr. has started operation of Texas Shop Towel Service, a new business for Hamlin. He moves here from Tyler where he was employed in this type operation for 16 years.

Prather is formerly of McCaulley. He and his wife have four children, Karen, 14, Brenda, 11, Cindy, 8 and Randy, 4. They are members of the Baptist Church.

Cliff W. Drummond was one of 21 University of Texas students to be elected to Students' Association posts for 1964-65 in Spring student government elections. He was elected pharmacy assemblyman. He is the son of Mr. and Mrs. G. W. Drummond, Route 1, Hamlin.

Madden, Gardner and Davis Win City Election

Two newcomers to the City Council were elected in Tuesday's election from a slate of six candidates. Edward Gardner received 201 votes and Bill Davis received 208 votes.

Hollis Madden was re-elected to the office of mayor with 337 votes. He was unopposed. Write-ins included Holly Toler, 19, John V. Howard Jr., 10, and Weldon Johnson, 4.

Other candidates for alderman included Floyd Clifton, in-

cumbent, who received 157 votes; George Poe, incumbent, 136; Glen Howard Williams, 36; and John Hix, 24.

Gardner is a native of Hamlin and graduated from Hamlin High School in 1933.

He served 36 months in the service during World War II. A former salesman for Carl Murrell Chevrolet Company, he is now a clerk in the office of Mid West Cooperative Oil Mill.

Gardner is married to the

former Velta McCormick, also of Hamlin. They have one daughter, Jan, 10.

He is a member of the First Methodist Church.

Davis, a native of Stamford, was graduated from high school there in 1946. He is married to the former Jean Ross, also of Stamford. They moved to Hamlin in 1950 and have lived here since that time with the exception of two years in service in 1952-54. He served in Germany

17 months. A member of the First Methodist Church, Davis is now chairman of the official board. He also teaches a Sunday School class for high school juniors and seniors. He is a member of the Lions Club and is currently serving as lion tamer.

He is employed by West Texas Utilities Co. The Davises have two boys, Lynn, 3, and Mike 1½.

'TAG DAY' BEING PLANNED HERE FOR LIBRARY WEEK

In observance of National Library Week April 12-18, Mrs. Dale Lain, chairman of the library committee of Harden Memorial Library, has announced April 15 as Tag Day in Hamlin. The money raised during the Tag Day drive will be

used to improve the library sections and facilities.

Assisting with the planning the drive will be Mrs. Dewey Nunley, Mrs. Ed Bailey and Mrs. Tate May, other members of the committee.

The building committee, composed of Mmes. E. M. Wilson, M. T. York, Kenneth Riddle, B. O. Bell and Miss Lennie Greenway; and the community service committee composed of Mmes. Jack Vaughan, James Harrison and Donley Williams, will also take an active part in the drive.

Contributions toward the improvement of the library have been made by high school students Ann Johnson and David Bigham, under the supervision of Mrs. Dewey Nunley. The students worked in organizing the present books in the library. They also helped in the return of overdue books to the library.

Mr. and Mrs. Harvey Elkins gave four sets of stainless steel book ends to the library.

Hamlin Places 2nd. In Play Contest; Lawlis Best Actor

Lewis Lawlis, Hamlin High School senior, was named best actor for his performance in "The Death of the Hired Man" in the District 6-AA one-act play contest held here Monday evening. The Hamlin play placed second. Nick Moore was named to the all-star cast.

Haskell High School had the winning play "The Miracle Worker" and four members of the cast were named to the all-star cast.

Stamford placed third and Winters and Ballinger schools tied for fourth.

Dr. Rex Kiker, head of the speech department at Abilene Christian College, Abilene, was the judge.

BURLESON ISSUES STATEMENT IN SEEKING RE-ELECTION

Omar Burleson, veteran Congressman from the 17th District, is conducting a vigorous, active campaign for the Democratic Primary nomination for re-election.

In seeking re-election, Burleson stated he is basing his campaign on his record of nearly 18 years service in Congress.

"In that time, I have never

been a rubber-stamp, but have fulfilled my responsibility to vote on each issue for the best interest of my Country, my State, and my District," Burleson said.

"I do not think the people of the 17th District want or deserve anything less."

Burleson, at 58, is one of the senior members of the U. S. House of Representatives in point of service.

His seniority has carried him to the Chairmanship of the House Foreign Affairs Committee. In addition, Burleson serves on two important Joint Committees formed from senior members of the House and Senate, as Chairman of one and Vice Chairman of the other.

"In all my years in Congress," Burleson said, "I have followed two guiding principles: First to know the views of my constituents and reflect their

Pre-School Clinic To be Held Tuesday At Primary School

A pre-school clinic will be held Tuesday, April 14, at 1 p.m. in the primary building. All pupils who will be starting to school in the first grade in September will be given a physical examination by Dr. E. J. Hawkins and a dental check by Dr. James E. Harrison at this time.

Smallpox vaccinations will be given to those who need them upon the parents request.

Parents should also bring a record of their child's immunizations and diseases that they have had to be put on the school health record.

Each child entering the first grade is required to have a birth certificate. This will be needed before September in order for the child to be enrolled.

DePriest to Hold Spring Musical Friday Evening

There will be a Spring Musical Friday night at the High School Auditorium beginning at 7:30 sponsored by the Oscar DePriest School.

Schools participating are Woodson High, Abilene; Dunbar High, Munday; Lakeview Junior High, Big Spring; and DePriest, Hamlin.

Director will be Mr. Bobby C. Cain of Hamlin.

Admission will be 35 cents for adults and 20 cents for students.

MRS. VAUGHAN ELECTED P-TA PRESIDENT

Mrs. Jack Vaughan was elected president of the Hamlin Elementary P-TA at the Thursday afternoon meeting held in the primary cafeteria.

Other new officers include Mrs. Harold Johnson, first vice president; Mrs. Bill Early, second vice president; Mrs. Earl Brown, secretary; Mrs. Joe E. Ford, treasurer; Mrs. John Hudson, historian; Mrs. W. T. Johnson, parliamentarian.

The entertainment was a program on Texas Heritage presented by the third grade classes. Mrs. B. W. McKissack gave the thought for the month. Mrs. Tarlton Willingham was the speaker using "The Family: Does Our Love Show?" as her subject.

Mrs. J. S. Norton, second grade teacher, received recognition as winner of the room count with the most parents present.

The announcement of the annual District Spring Conference April 22 in Snyder was made. Plans for pre-school visitation April 7 and the pre-school clinic April 14 were discussed.

Afton Cemetery Sets Work Day

A work day at Afton Cemetery has been set for Tuesday, April 14, according to Mrs. W. R. Townsend, treasurer.

Everyone is asked to bring their own tools.

There will also be a discussion on how to spray and kill vegetation. All interested persons are urged to be there for the work day.

J. NEIL DANIEL MAKES BID FOR 104TH DISTRICT JUDGESHIP

J. Neil Daniel of Abilene, former District Clerk, City Judge and City Attorney, and in the private practice of law for the past ten years, has announced his candidacy for District Judge of the 104th District Court.

Daniel, in asking the people of Jones and Taylor County to effect a change in the judgeship of the 104th District Court, in making his announcement said:

"The time has come for a change of judges in the 104th District Court, and I and my many friends are asking the people of Taylor and Jones Counties to help me make this change. My opponent has been judge of this Court for twenty-four years, and ample provision has been made for the retirement of such judges from the bench.

"I have had an ambition for quite some time to be your District Judge, and to that end have devoted these past ten years preparing myself for this position. I ask you to give me the opportunity to serve you. I am ready, and my many friends who have urged me to run say I am ready, and my experience qualifies me for the judgeship.

"My opponent is serving his 24th year as Judge, and back when he first ran for office, he

made the statement after his predecessor had served fifteen years as Judge, to use his own words, 'It is right, democratic and proper that a young man be given a chance, and I submit to you now that it is indeed time to give a younger man a chance.'

Daniel is well known in Abilene. He is a graduate of Abilene High School, a 1939 graduate of McMurry College and his lived in Abilene most of his life. Daniel is a veteran of 1939.

PHILOSOPHER STUDIES MEAT PRICES, BUT CAN'T FIGURE HOW TO WRAP A STEER IN CELLOPHANE

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1 studies the cost of food this week.

Dear editor:

As I understand it, President Johnson is concerned over the high cost of food to consumers and the low cost to producers, or, in other words, why the farmer gets less and the housewife still pays more, by beef on the hoof can drop \$6 a hundred and still rise 2 cents a pound when it gets in the supermarket display counter.

In fact, he has asked Congress to appoint a 15-man committee to investigate.

I am in favor of this, and while I wouldn't have time to serve on the committee, I think I can explain part of the trouble.

The trouble lies with the farmer. He has never succeeded in growing beans in cellophane bags.

The farmer still uses the old-fashioned way of growing beans,

just like they've always been grown, on a vine inside a shell.

The supermarkets caught on long ago that beans in a shell or just beans in bulk have no eye-appeal. No impulse-buyer pushing a shopping cart down an aisle is going to stop to scoop up a sackful of loose beans. They've got to be sealed in cellophane with a brand name and a price tag marked 2 CENTS OFF before a housewife will respond.

Clearly, the fault lies with the farmer, or more accurately with the agricultural experiment stations and possibly the Department of Agriculture. Instead of figuring out ways to grow twice as many beans on the same stalk, the agricultural scientists ought to be working on a variety that'll come up inside a plastic bag already sealed with scotch tape.

Or take cattle. A rancher can get a steer for a certain price, but when the processors get hold of it, that's when the

cost mounts up, and by the time the steaks get to the meat counter wrapped in cellophane, there's no connection between what the ranch got and the housewife pays. Clearly, the rancher is getting too little and the housewife is paying too much.

Something ought to be done about this, but you try selling live steers inside a supermarket and see how far you get. You'd never get one wrapped satisfactorily in cellophane.

Yours faithfully,
J. A.

YEARS AGO—

FIVE YEARS AGO:
Hamlin teachers will play host to members of the Jones County Teachers Association at the annual banquet of county teachers, which will be held in the Hamlin Primary School Cafeteria Monday evening, April 20.

Rev. T. M. Harrell of Midland Sunday accepted the call to the pastorate of the North Central Avenue Baptist Church in Hamlin, which has been pastorless for more than a month.

TEN YEARS AGO:
Six members of the Hamlin High School Chapter FFA were honored Thursday evening for their outstanding records in FFA work at the annual father-son banquet in the Primary School Cafeteria. Receiving awards of merit were Dawl Johnson, Kenneth Rowland, Cliff Eoff, Doyle Brinegar, Hoyle Brown and Jackie Drummond.

FIFTEEN YEARS AGO:
Track and field athletes from Hamlin High School won first place Saturday in the invitational track and field meet at Snyder. Roscoe was second and Snyder was third in the school rankings.

Surveys have been completed in Hamlin for the inauguration of free mail delivery, the post office department has announced.

"HI DADDY"

"Hi Daddy! When are you coming home?"

How happy it would make our Heavenly Father if we responded to His voice in the same joyous manner that this little child has responded to his Daddy's voice.

Enthusiasm for God's Way would turn a greater number of people toward God and His love.

"I was glad when they said unto me, Let us go into the house of the Lord" (Psalms 122:1) would be a joyous response to God's command, "Forsake not the assembling of yourselves together." (Hebrews 10:25)

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

AUSTIN, Tex. — A mighty head of tension which had built up at the state capitol eased as the Houston federal court agreed to postpone effect of its consent to the next elections.

Top Democratic officials and members of the Legislature kept close watch on the news wires out of Houston as they sweated out the decision following four days of hearings and arguments.

Their optimism had wilted in the last 24 hours before the ruling was announced. More than one legislator reportedly had his bag packed ready to return to Austin for a special session.

Gov. John Connally apparently had indicated he would call the session immediately if the court stuck by its original October 19 order for at-large (statewide) elections in all districts unless the Legislature adopted a redistricting bill.

As it is, although the court postponed effective date of its ruling, it kept the case on its docket and will take further action if a constitutional redistricting bill is not passed by August 1, 1965.

Major officials applauded the ruling.

Republicans, who brought the original suit, were disappointed that the equal-population-for-each-district order will not take effect until congress after next. But they took comfort that their principal goal was achieved.

Governor said redistricting will give "highest priority" in the 1965 Legislature and "every effort will be made to have a thorough redistricting consistent with the opinions of the Supreme Court and (the Houston) federal court."

Frank C. Ervin Jr., State Executive Committee Chairman, said redistricting will be the main plank in the State Democratic platform this year.

An "entirely satisfactory" solution will be found by the Legislature next year, predicted Lt. Gov. Preston Smith.

George Bush, Republican U. S. Senate candidate from Houston who filed the suit with

four other GOPs, said the group would file no appeal since "further delays... would lead to turmoil."

Democratic Congressman-at-large candidate Bob Looney, an intervenor in the action, didn't agree and promised a new appeal to the U. S. Supreme Court for redistricting this year. He also called on Texas to petition Gov. Connally for a special legislative session on the subject.

For all practical purposes, the judicial chapter on redistricting is closed for the year. Congressmen will run in their old districts one more time.

Major surgery must be performed on the districts next year. And while they are carving state legislators in all probability will have to re-divide their own districts. Another suit pending to force state legislative reapportionment. For lawmakers, that will be ever sore painful.

RECORD VOTER LIST There are more Texas voter this year than ever.

A record total of 2,888,183 have paid poll taxes or obtained exemption certificates, the State Controller reports.

That's 293,929 more than in 1960, the previous record year, and 533,024 more than in 1962. Even so, the report does not include the free registrations for federal elections or voters over 65 who do not have to get exemptions because they live in cities of less than 10,000 population. Addition of these two categories could swell the qualified voters list to more than 3,000,000.

Eighty-eight percent of the qualified voters cast ballots in the 1960 residential election. If they turn out at the same rate in this year's presidential general election, more than 2,500,000 votes will be cast.

Texas Republicans, aiming at getting a large share of those votes, say they will have at least one polling place in every county for the May 2 primary.

SALT WATER POLLUTION Texas Railroad Commission is

putting more teeth into its orders against unlined earthen surface pits for salt water disposal.

At least 30 oil leases in the Hubbard Creek watershed will have been severed because operators failed to comply with the Commission's no-pit order which became effective for that area on March 1.

Commission says it will inspect every lease in the watershed. Oil cannot be moved by pipeline or truck while the cases are severed.

TEXAS SAVINGS BONDS Secretary of State Crawford C. Martin has been named chairman of a payroll savings campaign for the purchase of U. S. savings bonds by the state employees.

Governor Connally, honorary chairman of the Texas Savings Bonds Committee, named Martin to the post of coordinating efforts of state agencies to encourage their employees to buy savings bonds through payroll savings plans.

PARKS AND WILDLIFE — Texas game wardens and biologists are making a spring survey of wild turkeys in many parts of the state, to get an idea of their population trend. They also have begun their spring quail census in counties where the quail is an important game species.

Two key regulations for state parks will (1) Permit camping and shelter occupancy for a 14-day limit during the regular park season between May 1 and September 13, and (2) Make radios, recorded music and musical instruments subject to a 10 a.m. curfew in picnic, camping, shelter and other overnight facility areas. However, they will be permitted in concession buildings and immediate areas until 11 p.m.

CANDIDATES POLLED — Texas State Teachers Association polled legislative candidates on their stand on education and reported they endorsed a 45 per cent pay raise for school teachers and strongly favored five other measures which would benefit Texas schools.

Replies to the questionnaire, sent by TSTA's magazine "Outlook," came from 26 of the 35 Senate candidates and 269 of the 406 House candidates.

APPOINTMENTS ANNOUNCED — Governor Connally appointed four members of the board of regents of Midwestern University, Wichita Falls. They are R. Clay Underwood, Marvin Pierce and James Barnett of Wichita Falls and

Mrs. Macon Boddy of Henrietta.

Connally named H. D. Fields of Saint Jo to the Red River Authority board of directors to fill the unexpired term of C. O. Glenn of Nocona, extending until 1967.

Sgt. Willard E. Hale of Houston is the new inspector of the Inspection and Planning Division of the Texas Department of Public Safety.

HIGHWAY PROJECTS — Texas Highway Department tentatively approved a \$33,400,000 freeway, Interstate 20, through the Fort Worth-Dallas area.

Dallas, Houston and Fort Worth delegates asked approval of highway projects costing \$42,000,000.

Rusk County delegation sought \$16,000,000 worth of improvements and a Dawson County group asked the Highway Commission for \$2,000,000 more in the Lamesa area.

INDUSTRIAL RESEARCH CENTERS PLANNED — Governor Connally's Committee on Education Beyond the High School has taken a look at plans to use Texas industries as "great research centers" and to launch brand new types of graduate degree programs.

Committee studied these proposals and 14 others in a recent session as it continued to seek ways to achieve top ranking for the Texas college system by 1975.

Its final meeting, before writing a tentative report, is scheduled for April 18.

THEY'RE SMOKING AGAIN — Texans, who showed signs of slowing down on their smoking in February shortly after medical scare reports, are now at it again as heavy as ever.

Tax revenue from cigarette sales, which dropped sharply soon after the federal report on smoking dangers was released, jumped nearly \$1,400,000 during March, according to State Treasurer Jesse James.

"It looks like they have gone back to smoking," shrugged James. "At least, there not any big wholesale quitting."

Comptroller Robert Calvert said it worked out about the way he had figured — smokers would go back to their cigarettes after the first shock of the warnings faded.

BAR SEEKS TO BAN BELLI — Fed up with the antics of bellicose California lawyer Melvin Belli, the Texas State Bar Association is seeking an order from the State Supreme Court to keep him from practicing law in Texas.

Claimed the Bar, in request-

ing an injunction against the onetime chief defense council for slayer Jack Ruby, "(Belli's) conduct has been so grossly and flagrantly unethical, intemperate and abusive in nature as to weaken the administration of justice and to lessen public respect for the courts and laws of this state."

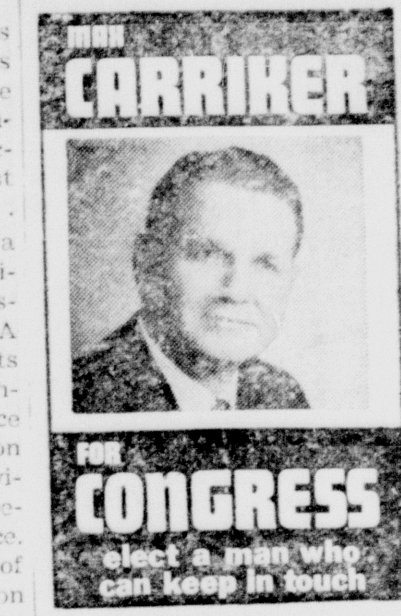

Belli has displayed no remorse for his tirades against Dallas and the trial court since his former client received the death penalty.

SHORT SNORTS — Texas Liquor Control Board reports that collections for the entire State totaled \$36,454 in February, as the result of 712 convictions and 49 jail terms with just 54 dismissals and 5 acquittals.

Texas business activity hit a new high during February, University of Texas Bureau of Business Research reported. A new calendar of tourist events is available from Texas Highway Department. Mrs. Grace M. Martin of College Station has resigned as women's activities consultant in the Civil Defense and Disaster Relief office.

State Department of Banking received an application for a state bank in Lake Gardens, Tom Green County. State Savings and Loan De-

partment is pondering rival application of Kendall Savings Association for a new charter at Boerne and Community Savings and Loan Association of Fredericksburg for a branch office in Boerne. State Supreme Court, rejected appeals of District Attorney Hulon Brown of Jacksonville and Justice of the Peace Curtis Lacy of Austin for places on Democratic primary ballots in Anglin County and Travis County, respectively.

OLD GLORY ...

Willie Baitz and C. T. Pierce were both re-elected to the Old Glory School Board in last Saturday's election. No other candidates had filed for the office.

C. T. Pierce was first appointed by the board to fill an unexpired term in 1959 and was elected in 1961. This will be the second term for Willie Baitz who was also elected in 1961.

In the election for County trustee-at-large, Old Glory supported their local business man, George Rhoads, with 62 votes and cast 5 votes for J. T. Hill of Aspermont. However Hill won the election over the county.

The Luther League of the St. Paul's Lutheran Church of Sagerton hosted a Ari-league Party for the Luther Leagues of Trinity Lutheran of Haskell and Christ Lutheran of Stamford last Sunday night at the Wienke lake here.

The group left the church on a hayride at 5:30 p.m. and later enjoyed a wiener roast, games, and singing around the camp fire.

The young people from Old Glory who helped host the party were Linda Gholson, Judy White, Marva Dudensing, Nancy Vahlenkamp, Helen Lowack, Cynthia Letz, Marvin Vahlenkamp, Danny Lammert, Gary

FAIRVIEW NEWS

By MRS. ELMER JOINER

Flags are flying half mast over the nation this Monday morning, in honor of General Douglas McArthur, who passed away yesterday, at the age of 84. To most people his passing only means another hero's death, but to the families of those that had loved ones with him, on the Philippines, where they made their tragic stand and were captured by the Japanese, it is almost like some one near and dear to you has passed on. General McArthur and his family escaped from the Philippines, but fulfilled his promise to return, even though it was a long, bitter fight. May the old warrior rest in peace.

Mr. and Mrs. Raleigh Bond received word yesterday, Sunday, of the death of his brother-in-law, Sam Barrett, of Cleburne, Texas. Mr. Barnett had been in ill health, from a heart ailment, for some time. Mr. and Mrs. Bond, and other relatives from this area, will attend funeral services in Cleburne, Tuesday.

Miss Maude Drake is just about the happiest person around, since the surgery on her eye, that restored the sight. She returned home from the hospital last Wednesday morning, only spending six days after surgery.

To celebrate Maude Drake's homecoming, some of the neighbors thought it would be nice to go Monday afternoon and clean up the house for her.

armed with vacuum cleaners and other equipment, eight ladies went and made short of the house cleaning and spent the remainder of the afternoon visiting with Miss Della, who had to remain at home because of being blind herself. Mrs. Lila Marie Hale stayed with her each day and cared for her.

Mr. and Mrs. Elmer Joiner went to see the Fred Rosenbaums last Monday night.

Mr. and Mrs. Raleigh Bond will be the next ones to leave us, out this way. They have purchased the home on Avenue A, formerly occupied by Mrs. Bruner, who passed away recently, and at present are busily remodeling it, and will move as soon as they are finished with it.

Mr. and Mrs. Roy Watts, who live in the Corinth community, with Mr. and Mrs. Fred Rosenbaum Tuesday night.

Mr. and Mrs. Henry made a little trip over to Snyder Sunday afternoon, to visit with their son, Clois Henry and family, returning home in time for church services.

Mrs. Mamie Blissett, who was in the process of moving from Anson, to Midland, spent the night with her brother, Mr. and Mrs. Woodrow Goodwin and Linda, last Thursday.

Mr. and Mrs. Fred Rosenbaum, Mr. and Mrs. Winson Gray and Mr. and Mrs. Flavil Holmes, attended the singing in Anson Sunday afternoon.

The Elmer Joiners visited with the Winson Grays last Thursday night.

Sunday visitors of the Joiners were all of their children, grandchildren, and his sister, Mr. and Mrs. Henry Kee, Lubbock. Mr. and Mrs. Buck Joiner, Charles, Jerry and Susan, came from Odessa; Mr. and Mrs. Jimmy Joiner, Jeannie and Ronald, Stamford, Mr. and Mrs. J. E. McCoy, Kay and Larry, Hamlin.

Thursday afternoon, Mr. and Mrs. Arthur Moss of Lamesa, visited with his uncle, Mr. and Mrs. Fred Rosenbaum.

Linda Goodwin went to Abilene, Saturday, with Jeannie Young, who participated in the University Interscholastic League.

Mr. and Mrs. Winson Gray visited with his parents, Mr. and Mrs. E. C. Gray, of Anson, Sunday afternoon. Mr. and Mrs. Gray have recently returned home from a months stay in

LIVESTOCKMEN WARNED TO USE CARE IN MOVING ANIMALS

Screwworms are on the move again in Texas, and livestock producers must take precaution in handling their livestock if they do not want the insects to spread across the State. Kirby Clayton, Jones County Agricultural Agent, warned.

Clayton pointed out that although the statement recently released by the Southwest Animal Health Research Foundation, the United States Department of Agriculture, and the Texas Animal Health Commission that screwworms have been eliminated from the overwintering areas of the Southwest, he warned that screwworm cases could occur because of insects migrating into the United States from Mexico.

Cases caused by migratory flies, if not detected and treated promptly, could permit the screwworm to become reestablished in Texas.

To prevent this from happening, Clayton urged producers to inspect their livestock frequently, treat wounds and infestations, collect larvae samples and report cases immediately so that emergency measures can be taken. Sterile screwworm flies will again be dropped near all cases reported, the county agent said.

Rambler to Show Classic Hardtop.

DETROIT — American Motors today announced a special Rambler Classic hardtop model as a limited production car which is powered by a new six-cylinder engine of advanced design.

The new two-door hardtop, called the "Typhoon," is scheduled for late-April introduction and will be available by special order through Rambler dealers for a limited time, according to Thomas A. Coupe, automotive sales vice president.

The Typhoon has a new-main bearing engine of "oversquare" design which has been under development and tested in a two-year program. Rated at 145-horsepower, the "Torque Command" engine has 232 cubic inch displacement, the largest displacement of any U. S. Built six-cylinder passenger car engine on the market, Coupe said.

"Our basic policy on horsepower is unchanged," Coupe said. "We believe in having thoroughly adequate horsepower in our Rambler cars. We still oppose manufacturer participation in racing and in the glamorizing of speed and horsepower through advertising and promotion."

The Rambler Typhoon is a sporty, eye-catching two-door hardtop in a special yellow-and-black paint combination. The basic body color is "Solar Yellow," providing a striking contrast to the Classic Black roof panel.

MOTOR VEHICLE INSPECTION DEADLINE APRIL 15

IT'S TIME FOR A CHANGE—The Department of Public Safety urges all motorists to get their 1964 Inspection Stickers before lines start forming at inspection stations.

881 FARMS IN JONES COUNTY SIGNED UP FOR 1964 PROGRAM

As of March 27, farmers in Jones County had signed up 881 farms to participate in the 1964 Feed Grain Program, J. E. Nix, chairman, Agricultural Stabilization and Conservation County Committee, reports. The sign-up period ended March 27.

The forms listing intended diversion show 32,089 acres to be diverted from the production of corn, grain sorghum, and barley. The diversion is from base acreages (1959-60 average plantings) of 6,179 acres on the

signed up farms. Estimated payments to \$627,492.00, not including price support payments to be made this fall. The 32,089 acres signed up for diversion for 1964 compares with 24,927 acres signed up during the similar period for 1963.

The diversion payments average \$20.00 per acre for 1964 compared to an average per acre diversion payments of \$15 for 1963.

Nix said that the goal of the Feed Grain Program is to bring production into line with demand, to reduce excessive stocks, and to cut Government costs. Farmers help achieve this goal by voluntarily diverting feed grain acreages to conserving uses. They thus qualify for acreage diversion payments, price support payments, and regular support loans.

Governor Connally To Speak at WTCC Meeting in Odessa

ABILENE — Governor John Connally will head a list of distinguished speakers and important activities as the 45th annual meeting of the West Texas Chamber of Commerce is held in Odessa, April 9-11 at the Lincoln Hotel.

Gov. Connally will speak at the final luncheon of this year's convention at noon on Saturday, April 11. The governor will speak on higher education, industrial development and tourist development in Texas.

Presiding for the convention will be E. H. Danner of San Angelo, WTCC president. Host for convention will be the Odessa Chamber of Commerce.

Other speakers on the three-day program schedule are Dr. Tyrus R. Timm, head of the Department of Agriculture Economics and Sociology at Texas A&M University; Judge Guy C. Jackson Jr. of Anahuac, Texas, the Texas director of the National Reclamation Association; and Texas Congressman-at-large Joe R. Pool of Dallas.

PIPER PATTERN APRIL 12 THROUGH 19 DESIGNATED 'TRIP WEEK'

"Flight to the Moon" was the theme of the Junior-Senior Banquet held in the primary cafeteria April 3. Pat Bachelor, junior class president, served as master of ceremonies. The Seniors were welcomed by Robert Pearce, and the response was given by Ronnie Teichelman. Sue Perryman and Jeff Willis were crowned Queen and King of the event. The Metacures, composed of David Drummond, Gary Jay, Ronnie Sipe and Terry Carter, provided entertainment. Mr. Curtis Ramey, minister of the Church of Christ at Anson, spoke to the group on the topic "Knowledge is Not Enough". The singing of the Piper Song climaxed the evening.

Haskell captured first place in the District 6-AA one-act play contest held in the Hamlin High School Auditorium Monday night. The name of the winning play was "The Miracle Worker." "The Death of the Hired Man", presented by Hamlin, won second place, and "Shadow of a Dream" took third place for Stamford.

Lewis Lawlis was named best actor, and Beth Vaughtner of Haskell was named best actress.

Others selected for the all-star cast were Nick ... of Hamlin, Jess Robertson, Jo Helen Elliott, and Judy Gibson, all of Haskell. Dr. Rex Kyker, of the Abilene Christian College speech department, judged the competition.

The National Honor Society hosted a reception in the cafeteria for the play casts and their directors.

hhs
Jack Townley Jr. brought back Hamlin's only first place in the District 6-AA UIL Contest held in Haskell Saturday. Jack took first place in Persuasive Speaking. Receiving second places were Sue Johnson, Persuasive Speaking; Lewis Lawlis, Poetry Interpretation; and Mary Lois Patterson, Number Sense. Third places were won by Kathy Hallmark, Poetry Interpretation and Joyce Smith and Kay McCoy, Spelling.

hhs
The Student Council will sponsor "Twirp Week" beginning April 12 and ending April 19. The week will be climaxed by an all-school picnic.

A weekly public service feature from
the Texas State Department of Health

Accent on Health

J.E. PEAVY, M.D., Commissioner of Health

AUSTIN — Students, working in chemistry laboratories for the first time, sometimes object to the strict supervision exercised by their teachers. But, as soon as they have conducted a few experiments, and have seen the startling and sometimes two chemicals, they are usually appreciative of the rules imposed on them in the laboratory. They have been made aware of the dangers and are taught how to prevent mishap.

Unfortunately, chemicals are being mixed in other areas besides the laboratories and by persons who know nothing of their characteristics or the danger involved in mixing them. Many times the results are disastrous.

Consider the case of the housewife who, wanting an especially immaculate finish, poured some liquid chlorine bleach into a toilet bowl with a cleaner, figuring that the two stain removers would do a better job than one.

The result was the chemical generation of poisonous, even sometimes deadly, fumes, when the bleach came in contact with the acidic substances present in the toilet cleaner.

The result would have been much the same had Ammonia been mixed with the bleach.

Poison Control Centers throughout Texas report that they receive calls regularly from people who suffer from respiratory irritations after inhaling such

fumes. Newspapers and other news media report numerous cases of injury and death from gases of this kind.

Manufacturers sense the dangers of using these products more than do the users. A majority of the brand toilet cleaners and ammonia found on the market today carry warning against mixing with chlorine bleach. Similarly, the liquid chlorine bleaches bear warning against mixing with toilet cleaners.

These warnings are not always conspicuously placed. Some are buried among the direction for use, while others are in unusually fine print that is seldom noticed. In almost every case any advise on what to do in case of gas poisoning is omitted.

The secret of safety in this case is to read the label on all cleaners, bleaches, solvents and other household chemicals thoroughly before using.

Marriage Licenses

Howard James Parker, Knox County, and Laura Rose Opitz Haskell County.

George Washington Gambrell and Dorothy June Applin, Stamford.

Freddie Harrison Adkin, Lubbock, and Suzanne Aileen Necessary, Anson.

Mr. and Mrs. Charlie Carter went to Wolfe City Sunday for funeral services for his sister Mrs. Sallie Williams, 72, who passed away there Saturday. Services were held at 3 p.m. in the Wolfe City Baptist Church. Others attending the services from Hamlin were Mr. and Mrs. Weldon Carter and Mr. and Mrs. Medford Carter. Both are nephews of Mrs. Williams.

KNOW YOUR CANDIDATE

JESSE OWENS
Democratic Candidate
For Railroad Commissioner

Attorney Jesse Owens of Vernon, Texas, has been elected to public office for many of his 68 years. Again he is seeking to be a public servant, this time as a candidate for Railroad Commissioner on the Democratic ticket.

Owens was born in Clinton County, Kentucky, on Oct. 28, 1895.

He completed his public school education in Foard County, Texas, then prepared for the teaching profession by attending North Texas State University in Denton.

He taught school six years before being elected to his first public office in 1922. That was when he became County Judge of Foard County.

Owens served four years as County Judge and during this time studied law under the direction of the late Judge Robert Cole. He took the State Bar examination at Austin in 1927 and was admitted to the bar in January of that year.

He has been actively practicing law from that time to the present. Many of his clients have been land owners and small independent oil operators. While on the bench he tried many lawsuits involving oil and gas matters.

Since the time of his first elected office, as Foard County Judge, the candidate for Railroad Commissioner has served as District Attorney, District Judge and Assistant Attorney General.

In 1915 he married the former Ima Ura Trawalk of Eastland County.

Mr. and Mrs. Owens are members of the First Baptist Church in Vernon. They have two sons, both of whom are married and have families.

DRUMMOND SETS NEW SCHOOL RECORD IN MILE RUN; 4:46.7

The Pied Piper Track team will travel to Abilene this week end to compete in the District 6-AA meet to be held at McMurry College.

Winters and Haskell are the favorites for the district title with Haskell strong in the sprints and Winters strong in the field events.

David Drummond broke his own record in the mile run this week with a clocking of 4:46.7 in a dual meet held Thursday afternoon with Anson. Drummond had set a new school record in the mile the week before at the Ranger meet with a time of 4:49.

The Pipers won seven out of 12 events in the meet with Anson, but lost the meet on total points — 82½ to 83½.

In the high school division of the meet Hamlin won firsts in

the following:
880 Yard Run, Butler, 210.6,
660 Yard Run, Bonds, 143.7,
180 Low Hurdles, Butler, 20.6.

Mile Run: Drummond, 4:46.8
Broad Jump: Pearce, 18' 10"
High Jump: Shivers, 6' 6".

In the Junior High division Hamlin won the following firsts:

220 Yard Dash: Ferguson, 25.8.
1320 Yard Run: Contreras, 3:43.0.
High Jump: Cain, 5' (four way tie for first)

STAMFORD PCA ANNUAL MEET PLANNED FOR APRIL 18--HILL

J. L. Hill Jr., manager of the Stamford Production Credit Association, reports plans have been completed for the association's Annual Stockholders' Meeting to be held in Stamford on Saturday, April 18. Hill says this year's meeting will start with registration at 9:30 and will be held in the Round-Up Hall on Texas Cowboy Reunion Grounds.

W. H. Calkins of Houston and Reagan V. Brown of College Station will be featured speakers on the program. Calkins is Vice President of the Intermediate Credit Bank of Houston and Brown is a Rural Sociologist out of the Extension Division of Texas A & M University.

Entertainment will be provided during registration by the Stage Band from Albany High School, under the direction of Martin Encke. Several attendance prizes for members and

wives of members of the association, as well as guests, will be awarded at various intervals during the program. Barbecue lunch at noon will be catered by Underwoods of Abilene. "We are real proud of this year's program and are proud of having been a part of the community life during the past thirty years," Hill said.

C. G. Burson, Sr. of Haskell, president of the board of directors, will preside during the business session which will consist of a report of the year's business and election of two directors. Other members of the board of directors, in addition to Burson, are J. F. McCullough of Stamford, vice president, Mack T. Claburn of Anson, Laster Hensley of Guthrie and J. C. Moorehouse of Benjamin.

DISTRICT COURT HALTS SALE TO SATISFY MORTGAGE

Orders were issued in two suits filed in 104th District Court last week, both of these halted the sale of property to satisfy a mortgage. In both instances the plaintiffs deny a mortgage exists and permanent injunctions are sought.

Although involving two sets of defendants and two sets of plaintiffs, there is a strong similarity in the two cases. Both involve home improvement in which the plaintiffs claim their property was to have been improved without any charge for materials.

In both cases, too, plaintiffs claim no mechanic's lien was signed; if one was signed, it was not filled out at the time; husband and wife were not questioned separately before the

signing, and, finally, both pieces of property involved are home-steads.

D. A. Baldwin and his wife, Oma Baldwin, who live on Route 2, Avoca, obtained a temporary injunction against Triangle Aluminum Industries Inc., Southwestern Fund both of Dallas and Gordon Ashbury Jr. of the trustee, after notice of foreclosure and sale of the mechanic's lien was posted at the courthouse in Anson.

In their petition, the Baldwins set out the defendants "repeatedly assured plaintiffs that they were not executing a mortgage and would never have to pay anything for the building materials. Defendants assured the plaintiffs that they would receive \$100 for every card sent in by the Baldwins, that their home was a model home."

In the parallel case, James T. Taylor and his wife, Joyce, who live at Anson, are the plaintiffs and U. S. Building Materials Co. and Lumbermen's Investment Corporation of Austin, and C. W. Gill of Abilene are the defendants.

Petitions read about the same, with each plaintiff claiming he was told his was to be a "model home" and that he never would have to pay for the building material.

sentiments to the greatest degree possible in my actions as their representative. Second, to inform and advise as closely as I can on those issues which affect my District, my State, and the Nation.

Burleson termed his approach to government as one of "common sense," gained through his years of public service.

A former Special Agent for the Federal Bureau of Investigation, Burleson is former County Attorney and County Judge of Jones County, and served three years during World War II with the Navy in the Pacific.

As a leader in Congress, Burleson has consistently urged the return to a sounder fiscal policy, and the cutting of unnecessary and extravagant federal spending.

I have tried to see that your tax money is spent as wisely, and as frugally, as you would have spent it had you been in my place," Burleson said. "The record will definitely show that that on many occasions I have found myself in the minority especially on needless spending of the taxpayers' money. I am proud that I have never failed to exercise the right to vote and to do as I thought best."

"At every session of Congress, I have voted for expenditures below that recommended by the Executive Department and far below that actually appropriated by the Congress, except in the field of National Defense," Burleson said.

"When it comes to the defense of this Country, I have always voted for those things calculated to make and to keep our Nation stronger than any other in the world," he said.

Burleson has been an implacable foe of the constant encroachment of the Federal Government into the area of State and local affairs.

"As the Federal Government has grown to its colossal proportions, the threat of centralized power in Washington has increased," Burleson pointed out. "To this, I am opposed, as my actions have proved."

years service in the United States Army and Army Reserve and holds the rank of Lieutenant Colonel in the Army Reserve. He was drafted in March of 1941 and served five years active duty during World War II, with more than half of this time overseas in the Mediterranean Campaigns. He served two years as an enlisted man and received a direct appointment as a commissioned officer while overseas.

During the Berlin crisis of 1961-62, Daniel was recalled to active duty in the Army Reserve and spent ten months at Fort Gordon, Georgia, with the 490th Civil Affairs Company of Abilene as head of the governmental affairs section and chief legal officer of the unit.

He was discharged from World War II service in December, 1945, and in 1946 was elected District Clerk of Taylor County by an overwhelming majority. While serving as District Clerk he studied law and was admitted to the bar in April, 1954. Daniel has been associated in the private practice of law with Judge Tom K. Epley for the past ten years and during this time also served as City Judge in Abilene and as City Attorney.

Always active in civic affairs, Daniel is a past member of the Jaycees; is a member of the Abilene Chamber of Commerce; past president of the Abilene Kiwanis Club; and has been active in all United Fund drives in Abilene since World War II. He served four years as Scoutmaster of Troop 8, sponsored by St. Paul Methodist Church at Abilene, and is still merit badge counselor for Scouts needing his assistance.

Daniel has been a member of the Official Board of St. Paul Methodist Church for many years, has served as chairman of various committees on the board and is currently the Church Treasurer.

He was the First President of the Cooper High School Band Booster Club and has been interested in Parent-Teacher Association work from the elementary grades to high school.

Daniel's wife is the former Frances Hill Cooper. They have three children: Gayle, 18, a senior in Cooper High School; Sharon, 17, a junior at Cooper; and Walter Cooper Daniel, 15, a

boy. They are the result of many activities of the Federal Government which should be reserved to the States. Big government with its far-flung operations has created needless waste and extravagance.

Burleson stated he was proud of the "trust and confidence placed in me by the people who send me to Congress — and to violate that trust in any respect would be unthinkable."

He urged residents of the 17th District not familiar with his background of service to investigate the record he has made — "And if you believe I have been faithful to duty and worthy of your continued support, then your active participation in my campaign will be greatly appreciated."

Well-known throughout Texas, Burleson is a native of the 17th District. He was born and raised on a farm between Anson and Stamford in Jones County. He attended rural school, and graduated from Anson High School. Following graduation, Burleson attended Abilene Christian College, Hardin-Simmons University, and graduated from Cumberland Law School. Later, he studied postgraduate law at the University of Texas. Burleson married Ruth DeWeese, daughter of Reverend R. D. DeWeese, who pastored Baptist Churches in West and South Texas.

Burleson stated he was proud of the "trust and confidence placed in me by the people who send me to Congress — and to violate that trust in any respect would be unthinkable."

He urged residents of the 17th District not familiar with his background of service to investigate the record he has made — "And if you believe I have been faithful to duty and worthy of your continued support, then your active participation in my campaign will be greatly appreciated."

Well-known throughout Texas, Burleson is a native of the 17th District. He was born and raised on a farm between Anson and Stamford in Jones County. He attended rural school, and graduated from Anson High School. Following graduation, Burleson attended Abilene Christian College, Hardin-Simmons University, and graduated from Cumberland Law School. Later, he studied postgraduate law at the University of Texas. Burleson married Ruth DeWeese, daughter of Reverend R. D. DeWeese, who pastored Baptist Churches in West and South Texas.
